THE frequent application for Portraits of eminent persons and for the various Engravings which have been published in the ECLECTIC MAGAZINE, for the purpose of illustration, framing, and ornament, or more extended Collections of Portraits and Engravings, to form a private Collection, has induced us to print the following Catalogue of Engravings which have appeared in the ECLECTIC MAGAZINE in past years.

The Engravings are numbered on the Catalogue, to aid in selection, so that persons giving orders can merely indicate the figures opposite the Engraving selected.

The Engravings are printed on quarto size paper, 10 by 12, and can be sent by mail, prepaid, carefully done up on roller, on receipt of price.

Special attention given to artistic framing. Estimates for framed engravings sent on application.
